PLUMBING & BATHROOMWARE

BERMUDA CHANNELS

The Bounty Bermuda Channel Floor Grate range offers clean lines and superior durability that only 316 stainless steel can deliver. Incorporating our industry leading Megaflex™ leak control flange, it ensures a total solution for your project. Perfect installation is no longer impossible with the adjustability of height and tilt, while enabling positive engagement with your waterproof membrane for total peace of mind.

The Bounty Bermuda Channel Floor Grate can be made to any size your project requires, and also comes in standard lengths of 300mm, 600mm, 900mm and 1200mm at a width of 100mm.
